

CALIFORNIA CRYOBANK, INC.

DONOR CATALOG DECEMBER 2005

CATALOG CONTENT

Our donor catalog provides basic information and characteristics for each donor. It serves as a starting point for a donor search. Additional information on donor availability can be found in the "Donor Search" section of our website.

DONOR INFORMATION

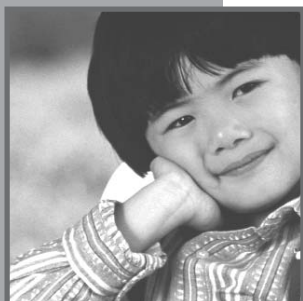

California Cryobank (CCB) provides many types of information to help clients select a donor. The following information is available. Short profiles, Staff Impression Reports and Donor Essays are available free of charge to clients!

- Short & Long Donor Profiles
- Audio Interviews
- Keirsey Temperament Sorter Reports
- Staff Impression Reports
- Facial Feature Reports
- Donor Baby Photos
- Donor Essays

To order donor information, visit our website at www.cryobank.com or call Client Services at 800-231-3373 ext. 58 to order by phone. California Cryobank strongly suggests that you review long donor profiles prior to ordering specimens.

OPEN DONORS

Open donors are committed to at least one contact with their offspring when they reach the age of 18. For more information on Open Donors, please visit our website at www.cryobank.com or call 800-231-3373 ext. 58. Due to the limited number of Open Donors they have not been sorted by ethnicity.

DONOR AVAILABILITY

Listed on this catalog are donors available at the time of publication. Please call our Client Services Department at 1-800-231-3373 ext. 58 or check our on-line catalog for the most current information on donor availability.

Donor specimens are available on a first come, first served basis. Our inventory of semen specimens changes daily. We cannot guarantee donor availability. We encourage you to purchase and store vials, especially if you have only one donor chosen. Place your order at the earliest possible time and be prepared with another donor choice if there is no vial inventory at the time you wish to order.

SPECIMEN TYPES

California Cryobank offers two types of specimens:

ICI - Specimens prepared for Intracervical Insemination (ICI); **IUI** - Specimens prepared for Intrauterine Insemination (IUI)
California Cryobank is prohibited from accepting returned specimens and will not be responsible for client error in selecting specimen type. Please speak with your physician and be prepared to specify specimen type at the time of order.

GETTING STARTED

The first step in ordering donor specimens from California Cryobank is to open an account. It is not necessary to open an account to place orders for donor information. Additional information is available in the "Open An Account" section of our website.

MEDICAL DIRECTORS: CAPPY M. ROTHMAN, M.D. & CHARLES A. SIMS, M.D. & GEORGE L. MUTTER, M.D.

CATALOG KEY

A.R.T. VIALS

California Cryobank (CCB) is now offering ICI and IUI vials specially designed for use in a variety of Assisted Reproductive Technologies (A.R.T.), such as In Vitro Fertilization (IVF), Gamete Intrafallopian Transfer (GIFT), Zygote Intrafallopian Transfer (ZIFT) and Intercytoplasmic Sperm Injection (ICSI). A.R.T. vials are available in both intracervical (ICI) and and intrauterine (IUI) formats. Since fewer sperm are required for A.R.T. procedures, our A.R.T. vials contain fewer total motile cells. Please note that A.R.T. vials may not be available for all CCB donors. Please see our fee schedule for A.R.T. vial fees.

CMV IgG/IgM & BLOOD TYPE

For interpretation and significance, discuss with your physician.

***NEW DONORS**

Donors appearing on the catalog for the first time are noted by an asterisk next to the donor ID number.

OPEN DONORS

In response to client requests, CCB is now offering an Open Donor Program. CCB Open Donors are committed to at least one contact with their offspring when they reach the age of 18. CCB will assist with the first contact. As with all CCB Donors, CCB Open Donor vials are available on a first come, first serve basis. At the end of this catalog, you will find a list of CCB Open Donors. You can also search for Open Donors on our website, using our donor search tool. For more details about the CCB Open Donor Program, please visit our website at www.cryobank.com or call (800) 231-3373, extension 58.

PREGNANCY

“Yes” indicates that we have received at least one pregnancy report on the donor. “No” indicates that we have not YET received a pregnancy report on the donor. From our experience, a donor is on the catalog for at least six months before we receive a pregnancy report. However, this varies according to supply and demand.

NORDIC DONORS

California Cryobank (CCB) is pleased to introduce our new international partner, Nordic Cryobank. This new affiliate is in Copenhagen, Denmark and is staffed with California Cryobank trained personnel. All of the donors are carefully screened and selected to meet our uncompromising high standards of evaluation and testing. The additional of our new CCB Nordic donors will provide you with even greater choices of donors.

CALIFORNIA CRYOBANK DONOR CATALOG - DECEMBER 2005

CCB NORDIC DONORS (Caucasian): Specimen vials of the donors listed in this section have WHITE caps and are shipped on WHITE canes.

*Safeguard your
baby's future....*

Ask about California Cryobank's Cord Blood Bank

For over 25 years California Cryobank (CCB) has helped clients to make their dreams of parenthood a reality. With our cord blood bank, we are offering a new way to keep them healthy. Thanks to advancements in medicine, we now have the ability to save the stem cells from a baby's umbilical cord blood. Because these precious stem cells are genetically unique to your child, if needed, they may be used to treat more than 50 diseases, such as leukemia, sickle cell disease, and certain cancers. And new uses are being researched every day.

Saving your baby's cord blood is fast and painless and is an option every parent should consider. But your baby's birth is the only chance to collect and store these valuable stem cells. Preserving your baby's cord blood can also be especially valuable in cases of assisted reproduction. Call today for more information about our cord blood banking services. Mention promotion code "DC0001" and receive a special CCB client discount. Offer valid for new cord blood clients only and cannot be combined with other offers.
